Safety for Healthcare IT  
Staff**

**Healthcare Data Security,  
Privacy, and Compliance**

May 31, 2024

**pei chen lee**

has successfully completed the online, non-credit Specialization

# Healthcare IT Support

Through this 4-course specialization, we'll take you on a whirlwind tour of what it means to play a critical role in maintaining the ongoing operations of a hospital, health system, clinic or other healthcare setting. You'll be introduced to the basics of health IT fundamentals, the different technologies relevant to healthcare, and important aspects of data security, privacy and compliance. You'll have an opportunity to hear stories of inspiration from health IT staff who once were in your shoes. Go behind-the-scenes at a large hospital to learn about the many ways in which IT support staff play a role in helping patients, providers and the population. You'll even receive tips on job interviews and advice on how to succeed on this career path.
